

Camp Otterdale

CAMP SESSION: _____

General Information:

The following clothing list is provided as a guide. Campers and parents should make amendments where applicable, taking into consideration the length of stay and the camper's age. The form is designed as a "check list" to indicate the quantity of each item brought to camp and to ensure that all items are returned home. Items marked with an asterisk are considered essential. Mark all clothing and other articles with a name-tag. Please do not bring your best clothes, your CD player, radio or electronic games.
